

## Dynamic Presentation Skills

---

Duration: 1 or 2 days dependent upon requirements

Having the confidence to make the point eloquently, engagingly, with confidence and style is often the last thing on our minds when faced with presentations. Frequently there is a rush to get through it, or a reliance on a very nice looking, yet huge, pile of slides. There is another way...

This is a highly interactive programme where delegates will be able to apply the techniques learnt; participant numbers are low to maximise feedback and coaching.
